Disclaimer

By submitting this form, the requester agrees and acknowledges that its personal data will be processed in accordance with the [ICANN Privacy Policy](#) and the New gTLD Program: 2026 Round Privacy Policy, which can be found in [Appendix 9](#) of the [New gTLD Program: 2026 Round Applicant Guidebook](#) (Applicant Guidebook), and also agrees to abide by [ICANN's electronic Terms of Service](#). The requester further acknowledges that the information provided in the fields marked with an asterisk (*) will be made publicly available.

The information requested by this form does not represent all requirements and/or criteria that the eligible national government must satisfy to file an appeal directly with the DRSPs. Each eligible national government is responsible for meeting the applicable requirements as set forth in the [Applicant Guidebook](#) and for filing the appeal directly with the DRSP. ICANN is not providing any eligible national government with legal, financial, business or other advice. This form does not represent a modification to the Applicant Guidebook. This form does not represent a waiver of any ICANN policy, procedure, or agreement. In the event that any information provided in this form appears to be inconsistent with any information published elsewhere by ICANN, you should not rely on this form without confirmation or clarification from ICANN. ICANN reserves the right to reject funding requests.
